Challenges beyond boundaries

Working with the NKT group companies, you will be meet with challenges far beyond the borders of Denmark. In fact, a number of around 7,000 people out of to-days' staff of 8,800 are working with 60 NKT owned companies outside Denmark.

Whether you are developing, manufacturing or selling our cables, our cleaning machines, our offshore pipes or our optical components, you will meet challenges - technologically, businesswise and globally.
